## Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately ad-justed to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical ex-periment, and are the most effectual remor years of carein study and fractional remedy yet discovered for diseases caused by derangement of the stomach, liver, and howels, which require prompt and effectual treatment. Aven's Pills are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.
